INDIVIDUALITY

AFTER SUNSET, An Intermezzo - - 50

A composition of great, entrancing beauty. Neither Author nor Publisher ever dreamed that this beautiful melody would attract the public as it has done and is still doing with every prospect of still greater success in the future.

LOVE KISS, Waltz - - - - 60

The best waltz in years; sweet, dreamy, melodious, an aggregation of beautiful harmonies, so finely arranged that it is by no means difficult to conjecture, why it is that so simple a composition should have achieved so marked a success. You simply cannot resist its dreamy, tempting strains.

ARTFUL ARTIE, March and Two-Step 50

A great characteristic March and Two-Step, second to none of Pryor's other compositions in this line. Very melodious, with a swinging trio and with words for singing, which tend to make it a complete success.

CAPTAIN CUPID, March - - - - 50

A characteristic March and Two-Step which surpasses anything of its class in the market. A success from the day of publication and, unquestionably, one of the cleverest things that Pryor has done. Many claim that it equals in all respects "The Whistler and His Dog."

BLOOD LILIES, A Japanese Two-Step 50

A most clever and exceedingly melodious Japanese Intermezzo; catchy and of very distinct character.

ON JERSEY SHORE, March - - 50

A March enjoying the widest possible popularity.
